

Thank You!

Dear Diane Pearson,

Thank you so much for the free hours trampolining lesson you gave to some of our children this week. They really enjoyed themselves and many have expressed an interest in joining your club. It has been great to give them an experience of a sport that not many had tried before.

Please pass on our thanks to all of your team at the **City of Stoke-on-Trent Trampoline Club** who made the experience so enjoyable.

We hope to continue working alongside you for future events.

Yours faithfully,

The children of Sneyd Green Primary School
